The **Plant Manager** is responsible for exceeding targets in production, quality, cost control, and employee engagement with an uncompromising focus on safety standards. They **engage their teams, keep employees safe** and **operations running** smoothly! If you're a **leader at heart**, with superior leadership skills and possess a comprehensive knowledge of manufacturing operations, safety, and labor relations, and want to make a real impact, take a look at what we offer.

### Our ideal candidate has the following qualifications:

- A minimum of 5 years related manufacturing experience at a superintendent level or higher.
- A proven track record in **leadership** and **safety performance**
- **Post-secondary education** in forestry, business, engineering, or related field
- Expertise in planning, goal setting, and project management
- Expertise in developing annual business plans and 5-year strategic capital plans.
- Superior computer application skills
- Strong communication, interpersonal, and analytical skills
- Experience in hiring and developing diverse teams.
- Ability to deliver superior margins throughout the business cycles.
- Innovative thinking aimed at continuous improvements.

We value diversity at STP and know that experience and knowledge comes in many forms. Even if you don't have all the qualifications above, please apply. We would love to hear your story and have you grow with us.

## We're Hiring!

Your ideal workday will look something like this:

- You will **be a leader in employee safety and engagement.**
- You'll use your **interpersonal and communication skills** to build an engaged and efficient team and **work across departments** to maximize the productivity of equipment, people, and resources.
- As a **Plant Manager** your principal objective will be to optimize the return on investment over the long term by implementing long-term budgeting, operating, and team-building processes.
- You will **develop** and **implement** programs that promote the **effective and efficient conversion** of raw material to high-quality finished wood products.

What's in it for you?

- You'll take on an **exciting new challenge** with a **dynamic group of people**, in a **team-oriented environment.**
- You'll earn a **competitive salary.**
- **You'll be eligible for excellent benefits** and access to a **401K.**
- You'll have **sick leave** and **holiday time** so you can focus on your health and time with loved ones.
- You'll have access to a **flexible spending account**
- You'll be supported with **opportunities for development and advancement.**
