Environmental Health & Safety Manager (EHS) – Immediate Start Available

Southeastern Timber Products Ackerman, MS

We're looking for an **EHS Manager** to join our **lumber mill** located in **Ackerman, Mississippi**. Southeastern Timber Products (STP) produces forest products for **customers nationally** so they can build their homes and their communities.

Southeastern Timber Products started in 1972 and has been in business for over 50 years. We're growing, and now is an exciting time to join us!

The **EHS Manager** is responsible for ensuring effective Occupational Safety and Health within the lumber division, as well as compliance with all applicable environmental rules & regulations. The EHS Manager is responsible for planning, organizing, advising, and evaluating health, safety, and environmental concerns within our division to support business objectives and drive results. He or she will inspect the facility to identify safety, health, and environmental risks and develop corrective measures as needed. The role requires a hands-on approach to provide proactive environmental, occupational health, and safety support to site employees to achieve the goal of zero RIR, and no environmental exceedances.

Our ideal candidate has the following qualifications:

- Bachelor's degree in safety or environmental sciences or equivalent experience in EHS preferred.
- 3 to 5 years of occupational safety, health, and environmental experience, preferably in the forest industry, or equivalent industry experience
- Previous experience in coaching and delivering training is considered an asset.
- Proven record of accomplishment driving safety culture and transformation.
- A comprehensive understanding of relevant OSHA, MDEQ, and other State and Federal regulatory requirements is preferred.
- Excellent oral and written communication skills, with the ability to interact effectively with all levels of management is required.

We value diversity at STP and know that experience and knowledge comes in many forms. Even if you don't have all the qualifications above, please apply. We would love to hear your story and have you grow with us.

We're Hiring!

Your ideal workday will look something like this:

- You will **be a leader in employee health and safety, environmental, and engagement.**
- **Analyzing safety data** and providing **ongoing training** for all employees
- Provide technical **consultation, leadership, coaching, and strategic direction** to drive continuous improvement and the pursuit of best practices (beyond compliance) for the management of environment, health, and safety!
- Creating **sustainable** practices for better environmental impact
- Perform and document inspections, reports, and testing to comply with corporate and **regulatory procedures** for air, stormwater, waste, etc.

What's in it for you?

- You'll take on an **exciting new challenge** with a **dynamic group of people**, in a **team-oriented environment.**
- You'll earn a **competitive salary.**
- **You'll be eligible for excellent benefits** and access to a **401K.**
- You'll have **sick leave** and **holiday time** so you can focus on your health and time with loved ones.
- You'll have access to a **flexible spending account**
- You'll be supported with **opportunities for development and advancement.**

If this position sounds like a fit for you, we'd love to hear from you. **Apply today at www.setimbercareers.com or stop by in person to fill out an application.**
